The Premises:

Standard MK location, cheap parking and handy for the central shopping centre.

The Lady:

Charlie - Cute but wicked little minx with luscious all over tan and long, straight raven hair.

Enhanced but pert breasts.

Honey - Curvy little blonde bombshell, voluptuous proportioned with pierced nipples and tongue.

The Story:

Charlie only does 2 girl with Honey apparently, which is fine with a threesome addict like me. These two offer a nice contrast physically, but they work together in perfect harmony. Both girls are all rounders but I would note Honey 's oral skills, helped by her tongue piercing and Charlie's hand skills as especially outstanding. As well as being a great experience having them both talk dirty to me while I tossed sperm into Honey 's mouth before she drooled it over Charlie's perfect tits, I also enjoyed their warm and friendly company. There's a group of these girls from East Yorkshire at Annabellas right now and the banter flows as freely as the laughs. Thank you both for a lovely time
