The Lady:

Elsa - Curly haired dusky babe with enhanced breasts. British but looks kind of near - eastern with narrow eyes and olive skin.

Keleigh - Classic Brit girl next door with curvy figure and black hair.

The Story:

I had just been drained by Honey and Charlie and I was feeling somewhat limp. I should've scheduled in a break but luckily these two girls were so sweet and so hospitable, I relaxed for most of the 30 minutes and had a very pleasurable 4 handed massage followed by Elsa rescusitating my exhausted cock with her mouth then fucking both girls from behind and finishing off by coaxing out enough sperm to drench their tits. Another lovely half hour with two lovely East Yorkshire lasses who were a delight to spend time with.
