The Premises:

I picked Zaya as the location was convenient for me and i managed to bring the appointment forward as my other commitments finished early
Clean and easy to find place which is most important

The Lady:

The lady is very sexy and looks like her photos, at first i was not convinced but the lady who recommended on the phone kindly sent me link to Zaya's non photoshopped selfie and i liked what i saw so there was no surprise on arrival

The Story:

Zaya lived up to her naughty looks, i met girls before who looked like porn stars with the 'fuck me now' expression on the faces but did not even kiss or owo! That was not the case, Zaya keen on OWO and very enthusiastic, lots on eye contact DFK etc, first round of doggy followed by CIF and breasts. Great look from behind as well as front! Second round only oral and hardly left with any time for massage and brief chat but i will make sure next time i am not in a hurry.

All in all very good punt with a hot but also intelligent girl, she asked me to write a review as she is new in town and wanted to receive a bit of publicity to give her a good start so i gladly obliged, Zaya if you are reading this thank you for a great time and look forward to that special cocktail you promised nxt time, T
