### The Premises:

I visit quite a lot of WGs, and tend only to review the very good or the very bad. This one was exceptionally good.

Her flat is in a small block right at the end of Inverness Terrace, away from Hyde Park. Easy enough to find, ex council block. Nice enough room, old fashioned shower head over a bath. Parking at meters or easy enough by tube from Bayswater Station. Not up-scale by any stretch, but serves a purpose.

### The Lady:

Super cute girl, says she's 19 and looks it. The photos on the web have been photoshopped unnecessarily, she looks fabulous in the flesh. Dressed in leather effect hot pants and bra top, my eyes popped out when I saw her. She was welcoming and friendly, spoke very good English.

Very hot figure, I just loved her firm, pert little tits, and she has the cutest arse outside South East Asia.

### The Story:

Sex was all a little inexperienced, but done with good nature. Perhaps not the best oral, but it was WO, so who's complaining? Sex in a few positions was good, especially from behind. Eventually I wanted to come in her mouth, but she wasn't sure if the agency thought this was ok, so I came over her tits... I wish I was young enough to go a second round, but I'm not.

We chatted for a bit, with us both naked on the bed. She says she wants to get the money to go to university. I really hope she does it quickly, before getting addicted to the easy income and becomes cynical.

Definite recommendation....
