The Premises:

Nice apartment in a big building in South Kensington

The Lady:

Blonde, blue eyes, kinda chubby. Different from her pictures in that regard.

The Story:

Met her at her apartment in South Kensington, 10 minute walk from tube station. It's her in the pictures, only way heavier (too much for my tastes). She was nice and polite, let me use the shower before and after. Service was ok, not passionate and kinda passive. Big letdown she was so different from her pictures.
