The Premises:

Small but nice apartment, everything was clean, fresh and good looking.

The Lady:

She looked sunning - perfect sized breasts for her height, slim. Looked like she takes good care of herself. She was very polite and friendly.

The Story:

Greeted me in sexy lingerie as I asked. She wasn't as shy as other young girls I've met before, told me what she enjoys the most and listened to my wishes. The whole process was almost perfect, she knew what to do and when to do. Either she really enjoined the whole thing or she is a great actress, but I felt wonderful.

As there are many unvisited girls in town for me, I'm not planning to visit Doli again in the near future, but I don't regret any penny I left for her.
