The Premises:

Clean it was going through a few alterations when I was there and I was told their was going to be some major changes in the next few weeks

The Lady:

Alisha is a lovely lady makes you feel really comfortable when in the room she is in her 30s has a fantastic pair of natural breasts really sexy lady will definetly be going back to see her again

The Story:

When Alisha entered the room the first thing she does is greets you with a kiss and cuddle she then asked if I wanted a massage the massage was fantastic really relaxed me she then turned me over and began to give me a mind blowing oral then she climbed on top of me and began to grid on my cock this felt fantastic I then finished off with me on top overall a perfect experience well worth the money.
