The Story:

I was in London on business and when I saw Claire was working in HOD2 I couldn't resist so I called and booked a 30min appointment, the receptionist was very helpful as I had never visited before she gave good directions and was helpful with how long it would take me to get across town.

I arrived 10min early and killed time before heading to the door, it felt very safe and in a nice area, I was shown in to the room by the lovely receptionist who offered me a drink before Claire arrived (incedently I saw Marissa in the lounge slipping on a pair of stockings - she looked amazing and I thought well worth a visit on another occasion). I made my self comfortable then the knock came to the door and in walked the absolutely stunning Claire! She was wearing ping bra and thong but had forgotten to pop on the stockings I had requested, she introduced her self we had a quick chat about our likes and dis-likes and sorted out the pw. I asked if she had any stockings and she was lovely about it she had totally forgot to slide into them but she nipped out and when she walked back into the room all I can say is OMG she looked amazing in her black stockings :)

I won't divulge all the details but suffice to say she ticks all the boxes wonderful oral (covered) followed by sex in various positions before finishing in doggy position giving me an oppertunity to caress her stocking clad thighs. We had a really nice chat and I offered to give her a back massage which was good to give a little something back (no pun intended) we had an interesting chat. Claire is wonderful at putting nervous people like myself at ease she's a fantastic lady and I couldn't rate her highly enough.
