The Premises:

Close to Notting Hill Gate station. A little odd in the entrance as you almost go into a restaurant, its an odd double door setup, but there was no problem, I didn't even see anyone in the restaurant. The play room is small, but has a good double/king size bed. There is no bath and the shower is small so bath/shower games are not on the menu. The placed was comfortable and clean. Alas I don't think there were any mirrors for those who fancy such. I believe she has only been there a short time so the decorations may well improve.

The Lady:

She is almost exactly like her pictures. She's not thin and not fat. Actually I found her body very alluring, even after being with her for 3 hours I was still admiring her body in a translucent robe as she was helping me to leave. Personality wise she is a delight, calm and caring, and very helpful. She is also quietly sexy and can be very naughty

The Story:

Charm is a joy to be with. She is sexy, soft, gentle and fun. She gives a great GFE experience, she loves to kiss and is very good at it. I had 3 hours of non-stop fun with her. I wasn't adventurous this visit, but even so she managed to get in some excellent rimming and went along with pretty much whatever I fancied ... not to mention having naughty ideas of her own. I don't know what she'd be like if you wanted a raw hard PSE, but for a GFE she is excellent and highly recommended! I will be back.

As a footnote if you want to see her for more than 2 hours she is also available through asiansselection at a slightly cheaper rate.
