The Story:

There's definitely something of the dungeon about Zara.

She tells me she's a professional dominatrix, fetish performer and model - I can believe it all.

She's not given to small talk so don't expect any, but she is sweet, affectionate, caring and very open about herself. She isn't gushing, but she's good company.

Zara was a massive gamble for me. She's not my physical type, clearly positioning herself as a Domme whereas I'm a GFE sort of guy, I am very nervous about it, but I am drawn by something in her pics, can't say what. Boy I'm glad I booked her.

She turns up visibly flushed from her last appointment; she had clearly been exerting herself quite vigorously. She coyly asks for the money but doesn't disappear for five minutes as is usually the case.

She's really, really pretty. Hardly any make-up but doesn't need it. If I spotted her in a bar, I wouldn't be able to keep my eyes off her - that's how pretty.

"Undress"cute French accent.... I comply.

At this point some sort of extraordinary ESP kicks in on Zara's part. At no point have I told her what I want but she starts kissing me, ever so gently at first but building in intensity until we are properly snogging, like lovers.

What follows is probably really very vanilla by her professional standards, but it's a really top drawer GFE. Her clean shaven full-lipped pussy tastes sensational. My oral efforts are rewarded after a little while with a big, shuddering climax. "Thank you" she breathes...that accent again.

We move on to sex with her on top. This is a truly extraordinary experience.

It's like sex with a woman that you've lusted after for ages, who you finally seduce.

It's slow, hard, intense, slightly sweaty hair in the face stuff. She's really tight, but so wet that I can hardly feel myself. She's vocal, but it's not in any way contrived. She's (I'm pinching myself here, because I'm just an ordinary fella and this is a top-drawer courtesan I'm shagging) enjoying herself. She times her climax perfectly to match mine. This is like girlfriend sex. It's extraordinary.

After, whilst chatting, she tells me that she has "a dungeon full" of latex gear, toys etc etc any of which she'll provide if you stipulate when you book her in advance.

I'll definitely be back. I might even, with Zara's help, start exploring my darker side.

What a woman. What an experience.
