### The Premises:

Discrete flat in a block so entrance not overlooked.

Easy parking but not too easy to find if you don't know the area.

### The Lady:

Mature lady about late 50's - 60 years of age.

Very Slim - as per her description. Small breasts.

### The Story:

I don't want to say anything negative about Nikki because she really does give you a good time.

She loves her little tits being fondled and she cums enthusiastically. She's nice and tight and isn't a clock-watcher. She takes it as slow or as fast as I wanted. I could fuck her every week if I was in the area.

She willing to be on top, doggy, mish and to give a good slow wank or bj.

The one downside is that her flat STINKS of fags. So bad that it makes you clothes smell. She really ought to do something about this because it's a bit off-putting.
