The Story:

Started with her shaking her bum towards me. WE undressed slowly and She gave me a good rub with her tits. After she layed down and it was my turn. I licked her nipps..worked my way down. She let me lick her forever...at times she helped me too by fingering herself. I licked her untill she came trembling all over. Thanked me too. Went for mish to finish off.Wonderfull..Can't wait for next time. She is a beauty.
