### The Premises:

IM's place in Bedford. Very nice.

### The Lady:

Super-cute with a slim but curvy figure, soft long hair, premier league bum, mid 20's. Alice had a very hot secretary look going on, with her square spectacles.

### The Story:

Turned up on spec hoping someone would be available and lovely, helpful, adorable Nat on reception offered me Alice or Emma, went with Alice first. She arrived in the room looking great as described above, I was already biting my nails, she looked HOT. Quick chat and down to business. I'm only really into oral without and a bit of reverse oral in these short 30-min sessions and Alice wasted no time in getting on with some great sloppy oral with her tongue stud working wonders on me. On to some reverse oral, get it right and you can get Alice off easily. Finished up with her laying in my arms on the bed together chatting before time was up. Super-sweet girl. Can't go wrong.
