The Story:

Went to IM and marvellous, lovely, helpful Nat on reception suggested a double header so I also saw Emma too (plus Alice, who normally works Mondays). She arrived in the room looking quite sexy in a black outfit that was on the floor pretty quickly. I didn't realise that Emma was Eastern European, even after she started talking, she speaks great English and you can converse with her beyond the normal technical jargon like BJ, 69 etc. which is sometimes the norm with these girls, and I am not normally a fan - but Emma is a real gem. Straight down to kissing and no persuasion needed to get some OWO either, your wish is her command and what a technique. She would have been quite happy to spend 30-mins down there so we 69'd then finished the 30-mins with a chat before we ended. This is a really great girl. I don't think you can go wrong at IM.
