**Date and Time of Visit:** Thu 12 Nov 2015 8:00

**Duration of Visit:** 2 Hours

**Amount Paid:** 300

**Recommended:** Yes

### Details of Service Provider:

**Profile Name:** 00-44

**Website:** <http://www.00-44.com>

**Phone:** 07017000044

### The Premises:

### The Lady:

There is no picture on the site, but they send you one if you're interested in meeting her. The pic is fine, but she's much prettier in person. She's early twenties, with beautiful skin, long dark hair, very pretty face, toned but feminine body, pert breasts, and a fantastic round ass. Really attractive. She's also got a great personality, with a bit of an edge to her, which I really liked. Plus, she's very part-time, which is the best.

### The Story:

She came to my hotel room and I was very taken with her right away. She's beautiful in a girl-next-door way, rather than a runway model way. We talked for about 20 minutes while waiting for room service to deliver some wine and food. She is part-time, building her experience in another career to the point where it pays better. She's got plans for life, which made her even more interesting and attractive.

After a bit, we moved to the bed. Some kissing and playing and I went down on her for a while. She responded very well. She then went down on me for a while before grabbing a condom and climbing aboard. A few positions later and we both finished nicely with me on top.

She gave me a massage and we chatted a bit before she went down on me again and I finished that way. Some small talk and I asked if I could see her again in a couple days. She wasn't going to work that night, but arranged it with her agency. I was very excited to see her again, but fell ill and had to cancel. Damn. I live in the States and was there on business, but if I lived in London I'd see her again and again.

Kudos to the agency, too. They have great girls and are a pleasure to work with. The booker, Zuzana, was great. They're my preferred agency from now on. I only hope I can see Kimberly again when I return in 6 months or so.
