The Lady:

Rosie, is tall attractive blonde with lovely legs, lovely bottom and beautiful breasts.

The Story:

Myself and another lady had a triple session with Rosie, who is a gorgeous blonde and who I have seen on a number of occasions. The three of us had some marvellous role play scenarios into which Rosie enthusiastically entered. Rosie is fairly tall in her high heels and her bottom seems to have a mind of it's own, bouncing around in a very erotic way as she walks across the room. Ours was a long session but Rosie remained enthusiastic the whole time, putting her heart and soul, bottom, breasts and everything else into it. She was marvellous, a view echoed by my accompanying lady, with whom Rosie played very, very well and there was much "relief" all round at the end. As for her sighing and moaning.....!!! A tremendous session!
