The Premises:

Really nice clean apartment near New Street Station and Broad Street. It is best to park in one of Birmingham's many multi Storey car parks. Good shower and facilities

The Lady:

Jen is taller than you imagine probably around 5' 6" give or take. She is white, English, slim, pretty and matches the photos on her AW profile. She has lovely womanly curves and unless asked otherwise, will answer the door in one of her black dresses. Jen is soft spoken almost shy but soon warms up and gets chatting, you can tell she is a regular girl with an office job who enjoys this as a sideline. In another life she would be someone who could be a friend and I don't say that lightly.

The Story:

The first thing about Jen is that she snogs and keeps coming in for more. She adores kissing and that is what makes the meet so sensational. I am used to girls kissing on request but Jen's kisses go above and beyond. All part of the service in her view I think. Slowly the clothes came off and I was kissing and fondling her lovely B cup boobs. Jen admits she rarely comes through oral stimulation and is much faster with the hand. I decided to persevere and was well rewarded and I think Jen was surprised.

She followed this with the most amazing blow job and she takes you OWO to completion which is just fabulous. After a rest it was sex in all positions punctuated with more oral both ways and my favourite 69. I really enjoy Jen's company and love being kissed for 2 hrs straight.

Jen has limited availability these days but seems to be slowly getting back into the swing of things. If you are sincere then I would present yourself the best you can and hope for the best.
