The Premises:

I have visited GFE in Sheffield many times, but the Manchester Branch is fantastic. It's a very large premises, the staff are welcoming and the rooms are of excellent quality. A lot of time and effort seems to have gone into making this place as good as it can be and it sure seems to have paid off.

The Lady:

Jessica's photos on the website do not do her justice, she is a heavenly beauty with a gentle Yorkshire accent. A pretty tall woman too even out of her high heels, no complaints there.

The Story:

When Jessica walked into the room i was captivated by her beauty, she was all hugs and kisses which was really sweet. I asked her to lie down and proceeded to caresses her delicious body. She really enjoyed being touched and kissed all over, but the best was yet to come when i asked her to lie on her back and proceeded to taste her sweet flower. I held her right hand, our fingers intertwined, as my tongue went to work on her. She caressed her breasts with her other hand and moaned softly as i pleased her. Her muscles tensed and she was shaking a little bit before she orgasmed, it felt good to make her cum and now she was ready to return the favour. She took me all in her mouth and our eyes met as she bobbed up and down, sweet little minx that she is. On with the condom and she wanted to ride ontop of me, we kissed again and again before rolling her onto her back with her legs on my shoulders. It didnt take long for me to climax, she felt so blissfully warm it was little living in a dream i didnt want to wake from. We took our turns showering and kissed many times again before we said our goodbyes. She said she wanted to see me again and i dont intend to let her down. When it came to payment i was surprised at the cost, the price list hasnt been completed on the manchester GFE website but it's £10 cheaper in Manchester than it is in Sheffield. I was so happy with Jessica and the pleasure she gave me i gave her a £5 tip.

Jessica is a very charming and gorgeous woman, treat her with kindness and respect and she'll make all your dreams come true.
