The Premises:

A residential flat set up as a salon on the ground floor, but with bathroom/shower facilities upstairs. The room was very clean and well decorated. It is about a 10 minute walk from Welling railway station.

The Lady:

A young, friendly Hungarian girl, exactly as pictured, with 34b breasts.

The Story:

A very good experience which made up for my less than pleasing session some weeks back. It started with a lovely firm back and shoulder massage on a bed. There weren't any sensual strokes to arouse me, but that was soon remedied when I turned over. I briefly received uncovered oral and this progressed to covered sex in the doggy position. I ended the session by removing the condom, thrusting between Anita's breasts and coming over them.

There is an occasional change of girl at this venue and hopefully the next one will also be the girl pictured.
