### The Story:

Been a while since I went to this establishment, not the world's most experienced punter but Tina used to put me at ease. Tried Bianca over Michelle this time, I wouldn't normally complain, as I said Tina and Michelle were good to me before but this was just an awful experience. She obviously did not want to be there or something, appointment was rushed, maybe she was having a bad day but it really showed. I have no problem with that but she shouldn't be offering services then. I've had some great times at Annabellas but this was so bad I felt angry after and it put me off. If you are going to go to Annabella's I would try someone friendly, experienced and patient such as Tina but do not see Bianca.
