### The Premises:

Topaz Massage Parlour is in a private house in Oxford Street in Morecambe and is accessed via a gate in a back access lane which opens into the back garden. Ring the bell on the door and the receptionist admits you to the house. There is plenty of free car parking in the vicinity.

### The Lady:

The lady is white, slim, in her 30s with what appears to be dyed auburn long hair, and she has nice full tits and marvellous nipples. Tara is about 5' 5" tall.

### The Story:

Receptionist offered me a hot drink before play which I declined so she took me up to the room and left me to prepare. The room is cosy, warm and with suitable lighting. The room contains a double bed with a mirror alongside so that you can see yourself and the lady in action. A fixed pole for dancing is also installed in the room and also a television playing suitable DVDs to help along. Tara entered the room wearing black stockings, heels, red bra, thong and basque. After saying hello and paying her we had a stand up kiss, cuddle and fondle. Tara then lay me face down on the bed and gave me a massage from neck to toe and then concentrated on my balls and cock to make me really hard and horny. Tara then turned me over and placed her tits close so that I could lick and suck her lovely nipples. I then ventured down to taste her lovely pussy and get my tongue in as far as I could. We then kissed and fondled and Tara put a condom on my rock hard cock and gave me a slow, deep blow job until I asked her to stop so that I could enter her. She was very enthusiastic when we fucked and was not shy about making her feelings known. After that we chatted whilst we cleaned up the panky. I tried to see Tara again today but she was busy at the times I was available to visit her. At present she is only available on Tuesdays and I hope to be in the queue early next week.
