### The Premises:

Nice basement flat in a perfectly safe side street in Notting Hill. Cozy place with a backroom with a huge Jacuzzi with built in colored lights and two levels of seating and a front room with a huge mattress on the ground lit by candles.

### The Lady:

Thelma is a gem and a natural in erotic and tantric massage and a good lover. She is slim with dark hair and lovely eyes. Very hot bum and nice breasts. The pictures on the website are slightly enhanced but pretty close to the real thing. She is genuinely beautiful with a great body.

### The Story:

The experience that Thelma offers is the perfect synthesis between erotic/tantric massage and a gentle escort session. But because she is a genuinely pleasant person and very easy to talk to it is in a way so much nicer than what some escorts have to offer.

Penetration was the only thing not on offer in the session I opted for which was the so called "Mutual session" with a duration of two hours.

We started off in the Jacuzzi kissing and cuddling and caressing and fingering each other. Really hot. After a while we migrated to the front room and she gave me great body to body on the back and on the front. On the front she uses long sexy slides all the way up to her pussy. Really cool and applying the right pressure on my dick to get him nicely warmed up. Next we did 69 and she uses her tantric skills to bring you close but not just not yet. I fingered her and licked her to delight and we both had a good time.

She finished me off with a superb uncovered blow job that left me exhausted for a moment.

I will certainly return for more as she is both a very relaxing experience and a truly erotic hot gem.
