### The Premises:

Close to Warren Street tube station. Access via security door with buzzer. Safe neighbourhood during the times that they are open.

bedroom was fit for purpose with a double bed. Shower facilities were available.

### The Lady:

The pictures on the website are a very accurate representation of Ruby, as is the description of her physical attributes. She has had her breasts enlarged and I don't think the photos reflect this - she now has an ample bosom.

### The Story:

Ruby entered the room looking wonderful. She was chatty and keen to get proceedings underway. DFK for about 5 minutes, then Ruby removed her bra to reveal her gorgeous enhanced breasts. Nipples were erect in no time, and responded well to fingers and tongue. More DFK, while Ruby's hands wandered inside my boxers and started to stroke an already erect penis. I do love the way Ruby kisses so was happy to continue snogging for a few minutes more. We both got totally naked and then it was on to the bed. A long period of OWO from Ruby - awesome. She really is an expert in fellatio, and uses her tongue stud to heighten the sensations. Switched positions so that I could enjoy reverse oral on Ruby. She has substantial labia and, once aroused, her clitoris becomes quite prominent. She also produces a plentiful supply of vaginal juice, that tastes delightful. Lapping away gently produced two orgasms for Ruby. Back to more OWO for me and then 69. To finish, I sat on the edge of the bed and Ruby knelt in front of me and coaxed my man-juice in to her mouth with a blend of hand and mouth. I had asked for a snowball, so Ruby stood up and transferred some of my juice in to my mouth with a tender french kiss. She kept some of the juice for herself, which she swallowed with a smile.

Absolutely great visit, with a sexy, down-to-earth young lady, who provides a truly memorable experience.
