The Premises:

Great, clean and quiet apartment within 2 minutes of Notting Hill Gate tube station.

The Lady:

Just as the pictures - great figure, pretty face and a mass of black curly hair. Lovely skin to touch and stroke.

The Story:

Rosie is a very lovely lady and is expert at the sucking and fucking. However, she's also a great person and speaks very good english so a decent conversation is to be had while she carries out her excellent massage skills.

She doesn't do anal - not everyone can - but I wasn't there for that this time and all of her other services - particularly fucking were excellent.
