The Premises:

Runcorn Massage (formerly "Diamonds") is at 7 Regent Street, Runcorn; but access is from the Co-op car park at the rear. This parlour has a single bedroom, with just one lady working per day. It is in an upstairs flat that is clean, warm, and very well-appointed. It is probably the best parlour I have ever visited. The madam is welcoming and professional. The room is very spacious, with an en-suite shower, but the WC is at the opposite end of the corridor, by the waiting area.

The Lady:

Nikita is a pretty 34-year-old Liverpudlian lass. A former gymnast, she has a super figure that is lithe and elegant. She is slender and seems tall, but that is because of her high stilettos! She has lovely skin, smallish tits and a really toned and tanned body. She is fully shaven, with a delightful oyster of a pussy.

The Story:

This was my first meeting with Nikita. She is friendly, intelligent and good company. She seemed a bit reserved, and was unwilling to kiss more than a little peck on the lips, but I still enjoyed myself. I have a feeling she will open up the more she knows you, and I fully intend to see this lovely girl again.
