The Premises:

Discreet flat on first floor off a quiet square. Front door and corridor doors do bang so be mindful! Flat itself is notably clean and tidy. The bathroom was immaculate with actual fresh towels and items to wash with.

The Lady:

Ann has a slim figure with nice breasts, hips and legs. She has dark eyes which are mesmerising and short dark hair. She is around 170cm tall. Her AW profile is very accurate, but her photos do not do her justice for how stunning she really is.

The Story:

I messaged Ann on the off chance she might be available. She said she was, so I popped over at short notice to see her. She warmly greeted me to her apartment and introduced herself. After the formalities were set aside, I asked whether I could have a shower, she agreed, then I got back to the massage table where she began. Her technique is second to none, it was genuinely one of the best massages I have ever had. She started from the toes, then the feet, massaged the legs and all the way up to my head. I honestly did not want to turn over! The climax was superb, her hands are mind-blowing and when I was ready to cum she just peered to my eyes. Once it was all done she cleaned up and then continued with the massage. I had a shower and left. Strongly recommend Ann, I have never felt so relaxed after a massage like that!
