The Premises:

Well known and very clean and smart. As always, the receptionist was friendly and efficient.

The Lady:

Tall and healthy figure with an attractive face. On the only time I had laid eyes on Shantel before, just passing her coming out a room, I had wondered how friendly and compatible a partner she would be for someone older and shorter than her.

Oh boy do I now know she is an absolutely ideal partner for anyone and anything!

The Story:

As soon as Shantel came into the room, she made me realise she was a really friendly and sexy girl. That was very reassuring as her profile is not on the website.

We had a kiss and cuddle before we moved onto the bed.

Then we took turns to enjoy exploring, stroking, kissing each other's body with both of us full of compliments.

The kissing involved light tongues or active lips and we both used our tongues over lots of sensitive areas of each other's body.

Shantel's oral without was simply fabulous. I just wish I could work out how she did it so I could encourage others to do the same things.

Getting access to Shantel's body was a delight and there seemed no boundaries although I didn't push my luck.

Sex was a natural next step with Shantel initially giving a very effective cowgirl and then on to mish with both of us fully involved.

A brilliant time. I am only annoyed I didn't take up another Pnet punter's recommendation many months ago.

I will happily make up for lost time now...
