The Premises:

Top floor of 3 storey building. Clean and comfortable just not particularly high class building. Stairs were quite busy with cleaners and others on arrival.

The Lady:

5'2" Thai lady, early twenties, very slim and gorgeous. Website photos are accurate.

The Story:

Not quite the PSE her profile hints at but still very good. Did not think A levels would be available when I first saw her as she is so small but I was wrong.....twice!. O without, CIM and FK also provided. Very enjoyable and will probably repeat if I get the chance.
