The Premises:

GFE Bury, is a great venue with modern decor, very clean and comfortable, pleasant rooms. Two good sized towels and clean well maintained showers. Drinks provided before and after, if required.

At my request, the parlour receptionist even made up my favourite room, not the one originally allocated.

Excellent front of house service.

The Lady:

Cheryl is an extremely attractive blonde woman in her mid 20's. Fullsome large breasts, which are completely natural. Wearing sexy lingerie, including stockings and suspenders.

No noticeable body art or piercings, just a natural looking light tan. She reminds me of a young Debbie Harry. She has a friendly and very professional attitude.

The Story:

This was an experience that I thoroughly enjoyed. Cheryl clearly understands what it takes to make a man feel happy and completely satisfied.

At first we spent time kissing, which felt competely natural and like she means it. Then she treated me to a mini-striptease whilst I admired her voluptuous figure, which is slim but curvy in all the right places.

She is full of enthusiasm and clever ideas, some of which took me completely by surprise. Her oral technique was superb, nothing in my lower region felt neglected.

She is nice and tight and we certainly got round to trying quite a few positions. Girl on top is a sight not to be missed with those beautiful natural large boobs bouncing up and down. Also, doggy whilst watching the reflection in the mirror, those breasts look so good.

Cheryl enjoys taking control, but not in a domineering way, she seemed to want to give me the

utmost amount of pleasure that she could provide, so I decided to go with the flow and enjoy the experience.

She has a spontaneous and lively sense of humour, you'll not run out of things to talk about with this lady, she's good fun to chat to whilst you are having a shower at the end. Everything, except A levels seemed to be on the menu, but we simply didn't have time to try it all. So there is plenty left for my next visit. I can't wait to see her again.
