The Premises:

In all the time I have been going to HOD in Warren Street this is the first time I have been shown in to the room at the back, with the settee and the bed against the window.

The Lady:

I saw Gemma twice towards the end of 2014 and then disappeared from London, working MK only – until now. She has a new tattoo, which looks a bit silly.

Gemma walked into the room sans lunettes, I scarcely recognised her. She was wearing a bra and an extremely short skirt that barely covered her undies & sexy red heels and still has the same slender body with next to no body fat whatsoever. Gemma is one of the prettier girls at HOD.

The Story:

We began with a small role play that lasted a few minutes and finished with Gemma touching my cock through my underpants. Then Gemma stood up, and was slightly taller than me in her heels. We kissed tenderly, no tongues allowed though. Next we indulged in a spot of 69 and Gemma lovingly licked & kissed and sucked my cock. I did likewise with her pussy. On with the condom and there was plenty of eye contact as I slowly pumped her up before there was a knock at the door and I had to speed up.

Gemma is superb! My second favourite girl at HOD after Sarah, who left in May and who I still miss.
