The Premises:

GFE is a nice & clean. We were in the VIP room which has a big bed, working shower, mirrors on all walls.

The Lady:

Faith is simply stunning and is very cute with it, her website photos do not really do her justice, very easy to talk to.

The Story:

I made a booking in advance. When I arrived however Faith was running a little late, which was fine as I could relax a little beforehand.

After about 30 minutes Faith was ready and showed me to the room, which turned out to be the VIP room.

We had a brief chat about the visit and Faith went back downstairs while I showered.

When she returned she gave me a massage and then the real fun began.

I won't go into too much detail about what followed except to say that it was one of my best visits to GFE ever!!!

Faith is so attentive, she kept me on the brink of cumming for about 10 mins before we both got carried away in the moment and I eventually did.

Afterwards we had another chat and I showered again.

I would highly recommend Faith, she is cute and sexy. She's a lovely kisser and simply irresistible. I cannot wait for my next visit.
