The Premises:

The Lady:

Monica is tall, slim, blond hair, has an amazing curvy, tight body and has beautiful eyes and facial features. Absolutely stunning!

Monica is an attractive, sexy woman who can hold her own in any type of conversation. She is friendly, a great flirt and made me feel comfortable immediately.

The Story:

Monica kissed me on my lips...she is an amazing kisser. Monica has gorgeous soft lips and we DFK which I enjoyed. I was getting really horny... we continued to kiss with our clothes on.

Monica is a sensual woman and is amazing at the art of seduction. She continued to kiss me, our tongues playing with each other. Monica has a tight, curvy body, with slender long legs, magnificent breasts and a beautiful shaven pussy. After several minutes of an amazing blow job, I massaged her breasts and sucked on her big pink nipples.

We then had sex, first in missionary, then doggy style. Monica has a tight pussy and is patient which made the experience very enjoyable. After we were done, she gave me a gentle massage.

Monica made me feel that I was the one that mattered all evening. Will definitely see her again.
