### The Premises:

Ann is based in a flat very close to Clapham Junction station. Clean and tidy place inside. Shower and rooms all pretty good. There are several supermarkets nearby that I guess you could use for parking if needed.

### The Lady:

As you would guess from the name Ann is Thai, she's about 5'3 at a guess. Maybe 30 something (but I'm never to great at trying to judge age accurately) has braces, a good sized set of boobs. Shoulder length hair, Slim and to my eyes at least is very attractive. She's only just back from Thailand so no website profiles just yet but I expect she will be reactivating the Acemassage account that she was using earlier in the year.

### The Story:

This is my 3rd visit to see Ann, she offers a GFE, started off with a thorough massage(gets quite playful sometimes tweaking various points on your body).

Moved on to a covered BJ(I've never asked for OWO from her so cannot say if this is on offer, but she does a great job with) followed by sex in missionary. The deed done we relaxed and cuddled for a while before round two.

We went for it starting with me going down on her which was gratefully received and then onto several different positions eventually ending with us collapsed on the bed after another great hour with Ann.

I'm not that great at writing reviews but I hope I've got across some of the enjoyment of my time with this lady.

If you're in South West London you could do much worse than give her a try.
