### The Premises:

Well known. Clean, tidy, smart, fabulous - and that's just the receptionist.

### The Lady:

Gina is a miracle - tiny frame, tattoos and a look to get you throbbing from the first moment she fixes you with her smouldering eyes. She also speaks pretty good English and understands well too. Wonderful.

### The Story:

I had an underwhelming experience with a porn star many, many years ago and so had been unlikely to try again. But Gina is very different - the first time she saw me in the corridor a week earlier her hand went to my crotch and that's the kind of porn star I like.

She also compliments you (well me) as we started with a kiss and cuddle and fondle while standing.

More of that on the bed before Gina wanted to get to know my cock, handling it, teasing it with the nipples on her much enhanced boobs and then sucking without with enthusiasm and skill.

69 followed and that end of her is all very nice and neat.

Sex was then very satisfying with more compliments from Gina.

This is no bored over-fucked video queen. Gina is a star and makes you feel like a stud.

Even me.
