The Premises:

Discrete doorway entrance on main shopping street, free parking all around. Clean room with shower and fresh towels

The Lady:

Wow, a flawless body and probably the fittest arse anywhere around. I guess 20 is about the right age, petite, pert breasts, tanned skin and long dark hair. All in all a beautiful young Italian woman. Better than pictures

The Story:

I was just getting out of the shower when Essa came in in high heels, hold ups, black underwear showing off that fit arse. Started with some kissing, not DFK but enjoyable, took time to explore that lovely body. On the bed for some amazing oral, switched to 69 to taste that sweet pussy. On with the cover and some cowgirl- that is a sight that I will never forget!! Switched to me on top until I couldn't hold back any longer.

Overall a great time, she has a bit of condom anxiety and was in a hurry to get him out!

I am not sure why there are so few reviews for Massage-Northampton girls but don't let that put you off - at least not in this case!
