### The Premises:

Her place was nice, clean and easy to find. It is very close to Bayswater Station. The flat was nice and warm (which is great in this cold session)

### The Lady:

The lady I went to see was named as Amy on the website. When I got to the flat Amy wasn't there. There were 2 other girls 1 which looked nice, so I went a head with the booking. Cici was pretty and tall 5'7", lovely smile, nice figure and well dressed.

### The Story:

I asked if I could massage her and give her a Yoni massage. She agreed and I handed over the money.

During the massage I tried to give her a massage but she said no to me massaging her tits or giving her a rub down below.

The massage itself was OK but very light.

I would rather she said no to the mutual massage and yoni massage. Instead she agreed and then went back on her word. Not to be trusted.
