The Premises:

Magdalena works in average area, flat was ok nothing special. For this price a the least you expect nice place.

The Lady:

She is early /middle 30's not 28 she needs hit the gym fluffy body, shaggy belly and breast is big natural but not nice at all. Pictures that are old and need to be up date. She works for couple years in London now too long in my opinion.

The Story:

She looks a lot older than her pics suggest. Definiteliy not 28 as stated on her webb. At a guess I'd say probably mid 30's. Upon meeting she did look to have quite a nice figure as she was wearing a very short, tight dress. But, once that was removed everything that could sag, droop or otherwise go south promptly did. However, by far the worst aspect to me was discovering she'd already applied copious amounts of lube before we'd met. This might not be so much of an issue to some.

All services on the profile were available. But, in the most half hearted and mechanical way you can imagine. Everything about the encounter gave the impression that I was just one of many on that days conveyor belt.

Not recommend !!!
