The Story:

when she came into the room she was wearing a sexy corset which showed off her great boobs. This came off right away and she told me to lie on my front so she could massage my back.

I usually don't like this, I prefer a kiss and to explore her body. But you could tell Lauren has a routine that she likes to stick to. It was better than I expected though actually, her massage technique is to use her boobs right up your body, then turn you over to give your cock some attention with her huge rack. She also has the habit of having a general, chit chat conversation whilst you're getting hard. Talking about the weather, asking about the wife & kids. This can be a bit off putting sometimes, but it was quite good this time, we went from that to dirty talk quite quickly.

I then went for OWO, which she did expertly with lots of spitting. Then onto a 69 for a good taste of her pussy, I thought I would try licking her arsehole, wasn't sure if she was up for it. Turns out she loves attention to her arsehole, she let out a little moan as my tongue slid over her anus. So I went for it, tongueing and probing her tight little arsehole. She could tell, I was an arse lover, so gave me more temptation by suggesting that 'I bet you'd love to slide this cock up my arsehole wouldn't you?'. I certainly did want to, and was well up for fucking her tight arse.

Unfortunately I didn't last that long! I'd been horny all day after spotting a sexy milf with great tits bra-less at a coffee shop earlier in the day. So I blew my load with 1 minute of her sitting on my cock whilst I fucked her pussy.

This was a great session, and I will certainly go back to fuck that tight arse.
