The Premises:

Orental Girls is a typical Chinese massage place. It is in a flat on the top floor of a low-rise block and entry is via an entry phone (they give you the flat number when you call). There is parking and it is on bus routes 53, 54 & 422 but a bit of a hike from the nearest station. The flat itself is clean and warm. I have been here several times and the Mama-San is very friendly and quite tasty herself. On this visit I had a bit of a wait, while the girl showered, but Mama-San entertained me while I waited. I am not sure if she also offers services but I would like to try her or maybe do a two-girl session if she does!

The Lady:

As with most Chinese places, the girl changes each week but so far I have liked all the girls here and had good service from them all. Nana was mid 20s, slightly plump, which I like, and very good in bed. I stripped off, then undressed her and had a long cuddle before getting on the bed. She did not like me touching her breasts, but everywhere else was OK. She covered me and gave me a very sensual blow job then we got on with the main action. She had a tight pussy, was quite lively and made lots of noise which I find erotic. It did not take me long to come and she finished off with a lovely soothing massage.

The Story:

Great experience and I will visit here again.
