The Premises:

Clean, simple, not very soundproof. But I think House of Devine is the Rolex of agencies. I have 100% confidence in their location, schedule, and the descriptions of their girls.

The Lady:

Absolutely as described on Devine. She is super petite, but in the best of ways. Cute, smooth as silk, tight body, slim long legs, very tasty cat, and loves to tease. I don't think she smokes, which is such a plus for me. I really feel like I owe it to her if I didn't write her a review.

It's a mixed feeling for me to write this. On one hand, I don't want her to see other men and be mine exclusively. On the other hand, she is in the business, and I am sure she wants more business. So I'll do whatever I can to achieve her goals.

The Story:

Whatever reasonable I told her, she did it, and with no complains. OWO, fingering, you name it.

I like her. I do. If I was spending anymore time in London, I would book her every night at least an hour.
