The Story:

Why this girl doesn't have pages of wonderful feedback is a mystery to me. I chose Lola as I prefer slightly older ladies and she didn't disappoint. She entered the room with a huge smile in her underwear and stockings. We did the money thing and she asked me what I liked (kissing and RO are favourites). I have to say we clicked immediately. It's wonderful when this happens and we went on to have an hour and a half of GFE 'plus'. Lola is very sexy, but what makes the difference is that she is such a lovely person. When we finally drew breath, we lay and chatted and laughed - as though we were old friends even though we had never met before. And soon it was on to round two. When our time was up Lola very kindly told me what a great time she had had, and that she didn't want me to go. If I hadn't had to get back home I would have asked for another hour!

Lola had fantastic full lips and kisses beautifully. Her oral technique is second to none, and she responded very enthusiastically to my efforts at RO.

Lola is a star - I will definitely be seeing her again. I could fall I love!
