The Lady:

Peace is a petite and very attractive North Eastern Thai lady with a nice warm friendly smile and beautiful firm figure. Her pictures are very accurate and up to date. Smelled and tasted clean and fresh!

The Story:

First time I have been with Peace. She met me with a warm welcoming smile and showed me into her room. where I was to enjoy an impressionable GFE. She proceeded to give OWO which totally relaxed me.

I was a bit tired after work so didn't push the boat out. so spent a long time licking and sucking on her sweet tasting pussy, Peace seemed to really enjoy herself riding me energetically on cowgirl, we then swapped and I took her doggy style and nothing is too much effort for Peace.

I spent a most enjoyable hour with Peace and will be back to see her again probably take up the offer to double up with Apple.
