The Premises:

Been to these flats before. Great location. Safe and plenty of parking.

Her flat is immaculate. Very clean and well lit. I think this is quite important because you want to be able to see these lovely girls.

Nice double bed with porn playing on the TV.

The Lady:

Pippa is very attractive. Her photos on AW do not do her justice. Says she is 21 and I wouldn't argue.

She is slim and well toned. Smallish natural breasts. Great legs and long blonde hair.

Pippa has a lovely warm character and is very charming. Lots of smiles. Obviously enjoys her work.

The Story:

Great communications. Very punctual.

Pippa answered the door in sexy underwear, black hold ups and killer heels. WOW. :)

Led me to the bedroom. I had already showered but this is on offer. I should imagine it is OK because the rest of the apartment is modern and very clean.

Pippa is very sensual and we kissed slowly and gently. Refused the offer of a massage as I was keen to explore her great body.

Gave her some oral and she tasted nice and clean. She returned the favour and gave me some great OWO. Fantastic. To her eternal credit she managed to get me hard enough for a condom and I finished off inside her doggy style.

Wonderful time with a wonderful girl. Many thanks.
