The Story:

Finally got the chance to meet the lovely Michelle.

As soon as she walked in she made me feel at ease. She was late but straight away apologised and ensured I got my time.

She is very friendly and has a bubbly personality. She is open to talk anything.

She did exactly what I wanted and she did it with full enthusiasm and I could sense that she genuinely wanted to please me.

The best punt ever and without any doubt I am already looking forward for many more sessions with her.

Thank you Michelle for the lovely time and I will see you soon.
