### The Premises:

Nice Flat in Milton Keynes.

### The Lady:

V-Lee is quite tall nice figure size 10 very big breasts enhanced breasts. Pussy pierced and a little stubbly.

### The Story:

I haven't written a report for a number of years but I thought I would share this with fellow punters.

AVOID AVOID AVOID! I visited for 20 minutes but she convinced me that if I gave her an extra £10 I would get much more so in hindsight I stupidly agreed. V-Lee would not touch my cock or balls unless the condom was on. No kissing she wouldn't even let me enter her fully she kept squeezing her legs and wouldn't let me penetrate properly. Now I'm a very clean guy fully shaved (top and bottom) and reasonably fit and attractive. I left very disappointed especially after paying the extra. Now I must add I have been to MK escorts many times and had really good services from most of the other girls so I would definitely recommend the establishment
