### The Premises:

Apartment in quiet area with lots of parking. Shower available and nice clean bed.

### The Lady:

Delicious black lady rather darker-skinned that pics suggest voluptuous figure and intelligent conversation. I have no idea how I missed her previous visit to Northampton - my bad.

### The Story:

Simple arrangements made for appointment and welcomed into the apartment. Good shower and soft towel before wrapping my arms round Cherie for an initial kiss and cuddle.

Cherie has a lovely figure that I enjoyed exploring on the bed and she was active as well in ensuring I got fully turned on.

Lots of conversation (my fault) as we worked through our love making with no sense of rush.

Oral with became 69 and then passionate sex in mish which suited us both for an intense and prolonged session.

I so enjoyed meeting Cherie and she will be on my must-see (priority) list when she returns in the new year.
