The Premises:

Easily found and close to public transport. Discreet. Busy but clean and facilities to shower before and after

The Lady:

She was sweet and quite cheeky. I was on the receiving end and she treated me to just what I wanted-and more which was great. Some new avenues explored with a sense of fun, threat and enjoyment. Over 30 and in good shape . I imagine spanking her is fun too as her bum was very good shape.

The Story:

Thoroughly enjoyable after initial chat for her to understand a bit about me. She knew what she was doing

I don't think I need to say more and I will definitely seek to return.
