The Premises:

A nice home in Queensferry a few minutes from the A55. It has its own drive and discrete side entrance.

The Lady:

Absolutely stunning! Blonde hair blue eyes and a fantastic size ten figure (she rates a 10 in every way) Wonderful breasts with incredibility responsive nipples. I have been seeing Chloe regularly for over a year and no matter how much time I spend with her its never enough. She is beautiful stylish classy and has a great sense of humour. She is bright and intelligent and great company for a casual lunch or a dinner date. Chloe is always immaculately dressed and has the most extensive collection of sexy underwear, it's a passion of hers that borders fetishism! She takes client security safety and confidentiality very seriously and is not always the easiest to contact. But do yourself a favour and persist she is so worth it

The Story:

I had a 2 hour appointment, and Chloe answered the door wearing an animal print coat (a favourite of mine) which she opened to reveal her stunningly toned body and some wonderfully sexy underwear including stockings and suspenders. We adjourned to the bedroom where the next two hours evaporated. I will not detail our "bedroom time" as we call it but I will say its always mind blowing and its never long enough. I have been punting for most of my adult life and I have to say that she is the best by far. Be persistent, but I warn you she's addictive
