The Premises:

Well known and very well run with efficient, thoughtful receptionists and fine facilities. I was lucky to walk in with all rooms busy so I got to see the ladies float past me with lots of body showing within inches of me...

The Lady:

I love this lady and cannot understand why I have not seen her more often. A very straightforward, attractive lady with the ability to give you a great time and make it look as if you are giving her a great time. Looks as in pics.

The Story:

It's been a fair few months since I saw and enjoyed Pixi so I was pleased she recognised me with enthusiasm.

Banter from the start and a lovely kiss and cuddle as I took her clothes off.

I could spend all the time kissing with Pixi with out hands roaming for the other's pleasure.

Then owo followed by an intense session of oral which had Pixi very vocal.

Onto sex which had both of us very vocal with nothing reasonable off limits though we both knew the other would back off at the first sign it was not wanted.

Fabulous time with a very sexual lady.
