### The Premises:

One of the usual tidy easily accessible M K location .

### The Lady:

Very pretty , nice figure , brunette , about 5 feet 4 , very easy to chat to Rumanian girl aged 19 , all very much as profile .

### The Story:

I had only booked 30 minutes but as soon as Dollar entered the room with a nice smile and sexy lingerie i knew this was a good choice and asked if we could change to 45 minutes , which luckily was OK and was arranged swiftly .

I won't go into details but suffice to say I found Dollar eager to please , and she certainly managed to press all the right buttons for me .

The visit had started with me giving her a little back massage , and as we had a couple of minutes spare at the end she offered me the same , a very nice way to finish a very pleasant experience .

Think it should be an hour appointment next time !
